AUTHORITY: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: Regulations 29 CFR 95.52 and 97.41 codify ETA requirements for certain financial reporting. Various statutes, regulations, and/or individual grant agreements specify administrative cost limitation requirements. The associated reporting requirements are met with a line item for total administrative expenditures, providing a mechanism for assessing compliance with the requirements. The ETA uses the data collected to assess the effectiveness of ETA programs and to monitor and analyze the financial activity of its grantees. Pre-designed software is provided to the grantees to reflect the requirements of Form ETA-9130, so that required data is reported directly into the E-Grants Grantee Reporting System by grant recipients.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0461. The current approval is scheduled to expire on November 30, 2012; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For
